Certification of ConAir® X

Premiere Concrete Admixtures hereby certifies that **ConAir® X** meets or exceeds the requirements of ASTM C260 and AASHTO T 154.

ConAir® X is a non-chloride based admixture, and any water-soluble chloride ions present appear only in trace amounts originating from the raw materials used in manufacturing or the municipal water supply. The water-soluble chloride ion content for this product is 0.0124%.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas C. Wittler". The signature is fluid and cursive, written over a white background.

Douglas C. Wittler
