Project:

Certification of OptiFlo® 50

Premiere Concrete Admixtures hereby certifies that **OptiFlo® 50** meets or exceeds the requirements of ASTM C494 Type A and Type D and AASHTO M 194 Type A and Type D.

OptiFlo® 50 is a non-chloride based admixture, and any water-soluble chloride ions present appear only in trace amounts originating from the raw materials used in manufacturing or the municipal water supply. The water-soluble chloride ion content for this product is 0.092%.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas C. Wittler", written in a cursive style.
