Certification of UltraFinish A1

Premiere Concrete Admixtures hereby certifies that **UltraFinish A1** meets or exceeds the requirements of ASTM C 494 Type S, and is compatible with concrete containing fly ash, portland-pozzolan, and slag cements (GGBFS), and most other standard chemical admixtures for concrete.

Premiere Concrete Admixtures also certifies no chlorides are added as an ingredient in the manufacturing process of **UltraFinish A1**, and any incidental chloride content, originating from exposure to municipal water sources, is <50ppm.

Sincerely,
